**Examiner Interview Summary**

Sir:

Applicants thank the Examiner for taking the time to discuss the above-referenced application on Tuesday, December 3, 2007.

In the Advisory Action dated October 12, 2007, the Examiner indicated dependent claim 10 included allowable subject matter. Accordingly, Applicants have reached agreement with the Examiner to amend independent claim 1 to incorporate allowable subject matter from dependent claim 10 by way of an Examiner's amendment and to place the application in condition for allowance.
